

Full Extended Response

Workbook 1 - Learn

Directions

Build the skill in small pieces. Keep every answer source-based.

Exercise 1

Create a 5-line planner from a paired-source prompt.

Task: Include winner, two reasons, two evidence notes, and one weakness in the other source.

Exercise 2

Write only a two-sentence introduction.

Task: Keep it efficient.

Exercise 3

Write one Point → Evidence → Analysis → Comparison paragraph.

Task: Do not write a full essay yet.

Exercise 4

Self-review a sample paragraph on Trait 1 only.

Task: Use observable evidence.

Answer reasoning

Compare your reasoning, not just your wording.

Exercise 1

Reasoning target: The planner should preserve the reasoning without full sentences.

Exercise 2

Reasoning target: Sentence 1 frames the issue; sentence 2 names the stronger source and main reasons.

Exercise 3

Reasoning target: The paragraph should explain why the evidence matters and compare the weaker source.

Exercise 4

Reasoning target: Check judgment, source evidence, and analysis rather than grammar.

Mistake check

If you missed an item, label the cause: task misunderstanding, source drift, weak evidence match, summary without analysis, organization, or sentence clarity. Then redo the item in one precise sentence.
