

Impact of Word Choice - Workbook 2

Focused practice - Workbook 2 of 3

How to use this workbook

Read each short text closely. Answer without checking the key. Then compare your reasoning with the explanation and mark the mistake type if you were wrong.

Before you start

- Underline or mentally mark the exact wording that controls your answer.
- Do not choose an option just because it is true in general; it must fit this text.
- After checking, write one sentence explaining why the strongest wrong answer fails.

Feedback Form

- D. It means the stalls are hidden.

4. What would covers lose?

- A. some of the protective emphasis
- B. the existence of the roof
- C. the afternoon timing
- D. the fact there are stalls

Email Policy

The policy asks staff to flag messages that contain personal information before forwarding them.

5. Why use flag?

- A. It means mark the messages for special attention.
- B. It means attach a physical flag.
- C. It proves the messages are illegal.
- D. It means delete every message.

6. How would notice change the sentence?

- A. It would describe awareness but not necessarily marking the message.
- B. It would make the policy stronger.
- C. It would change personal information to public information.
- D. It would mean forwarding is required.

Answer key and reasoning

Feedback Form

2. C. Mostly still indicates a majority but with less force than overwhelmingly.

Market Renovation

3. A. Shelters carries the protective function directly.
4. A. Covers describes position more generally; shelters emphasizes protection.

Email Policy

5. A. Flag is a concise workplace verb for marking something that needs attention.
6. A. Notice is about seeing; flag implies taking an action to mark the item.

Mistake review

- If you chose a familiar meaning that did not fit the context, label it wrong sense.
- If you chose an option based on one word but ignored the rest of the passage, label it one-clue trap.
- If you understood the basic meaning but missed attitude or effect, label it effect missed.
- Redo the question later without looking at the key.
