

Impact of Word Choice - Workbook 3

Focused practice - Workbook 3 of 3

How to use this workbook

Read each short text closely. Answer without checking the key. Then compare your reasoning with the explanation and mark the mistake type if you were wrong.

Before you start

- Underline or mentally mark the exact wording that controls your answer.
- Do not choose an option just because it is true in general; it must fit this text.
- After checking, write one sentence explaining why the strongest wrong answer fails.

Energy Article

The writer says older windows can bleed heat during winter.

1. What does bleed add to the description?

- A. It makes heat loss sound gradual but wasteful and hard to control.
- B. It proves the windows contain blood.
- C. It shows the windows are red.
- D. It gives the exact temperature.

2. What would lose heat change most?

- A. It would be more literal and less vivid.
- B. It would make the windows newer.
- C. It would make heat loss faster.
- D. It would make the claim false.

Committee Note

The chair wrote that several unanswered questions shadow the otherwise promising proposal.

3. Why use shadow?

- A. To show that concerns reduce or complicate the positive impression.
- B. To describe room lighting.
- C. To prove the questions are hidden.
- D. To show the proposal is old.

4. Which replacement would be most neutral?

- A. haunt
- B. complicate
- C. darken
- D. stain

Closing Shop

The owner lingered beside the doorway after turning the sign to CLOSED.

5. What does lingered emphasize?

- A. The owner stayed longer than necessary, suggesting reluctance or reflection.
- B. The owner ran away quickly.
- C. The shop opened again.
- D. The doorway was blocked.

6. If stayed replaced lingered, what would be lost?

- A. the suggestion of reluctant or thoughtful delay
- B. the location at the doorway
- C. the fact the shop closed
- D. the owner's identity

Answer key and reasoning

Energy Article

1. A. The figurative verb gives heat loss a vivid sense of unwanted leakage.
2. A. The literal phrase states the fact without the same image.

Committee Note

3. A. Shadow suggests that concerns cast doubt over something otherwise positive.
4. B. Complicate describes the effect without the same negative imagery.

Closing Shop

5. A. Lingered adds duration and often an emotional sense of not wanting to leave.
6. A. Stayed gives the fact but not the same emotional nuance.

Mistake review

- If you chose a familiar meaning that did not fit the context, label it wrong sense.
- If you chose an option based on one word but ignored the rest of the passage, label it one-clue trap.
- If you understood the basic meaning but missed attitude or effect, label it effect missed.
- Redo the question later without looking at the key.
