

Meaning in Context - Workbook 2

Focused practice - Workbook 2 of 3

How to use this workbook

Read each short text closely. Answer without checking the key.

Then compare your reasoning with the explanation and mark the mistake type if you were wrong.

Before you start

- Underline or mentally mark the exact wording that controls your answer.
- Do not choose an option just because it is true in general; it must fit this text.
- After checking, write one sentence explaining why the strongest wrong answer fails.

River Study

- B. protect an actor from criticism
- C. write a new character for a play
- D. make the theater completely modern

6. Which detail best supports that interpretation?

- A. the team decided
- B. while replacing unsafe wiring and damaged seats
- C. the theater
- D. restoration

Answer key and reasoning

River Study

1. B. The brown water shows that the stream contains a large amount of sediment.
2. A. The result - brown water - confirms what charged with means.

Team Meeting

3. B. Unconfirmed travel plans mean the schedule is not fixed.
4. A. Flexible keeps the idea that the schedule may change.

Old Theater

5. A. The contrast with necessary repairs shows they want to keep the theater's distinctive identity.
6. B. The team can update unsafe parts while still retaining the building's defining qualities.

Mistake review

- If you chose a familiar meaning that did not fit the context, label it wrong sense.
- If you chose an option based on one word but ignored the rest of the passage, label it one-clue trap.
- If you understood the basic meaning but missed attitude or effect, label it effect missed.
- Redo the question later without looking at the key.
