

Organize, Develop & Revise

Workbook 1 - Learn

Directions

Build the skill in small pieces. Keep every answer source-based.

Exercise 1

Put these in order: analysis, evidence, point, comparison.

Task: Create the paragraph sequence.

Exercise 2

"Both sources discuss the library."

Task: Revise into an evaluative introduction sentence.

Exercise 3

"Source B is bad."

Task: Make it precise.

Exercise 4

A sentence joins two independent clauses with only a comma.

Task: What should revision check?

Answer reasoning

Compare your reasoning, not just your wording.

Exercise 1

Reasoning target: Point → Evidence → Analysis → Comparison.

Exercise 2

Reasoning target: Both sources discuss Sunday library hours, but Source A is better supported because it uses pilot attendance and cost data.

Exercise 3

Reasoning target: Name the exact weakness, such as no cost estimate or unsupported prediction.

Exercise 4

Reasoning target: Sentence boundary: use a period, semicolon, or comma plus coordinating conjunction as appropriate.

Mistake check

If you missed an item, label the cause: task misunderstanding, source drift, weak evidence match, summary without analysis, organization, or sentence clarity. Then redo the item in one precise sentence.
