Answer reasoning

Check the rule and the meaning, not only the letter.

For every miss, identify whether the problem was grammar, punctuation, word meaning, sentence logic, or a rushed reading of the context.

Exercise 1

Best answer: B. Monday

Why: Days of the week are proper nouns and are capitalized.

Exercise 2

Best answer: A. manager's

Why: One manager owns or uses the office, so add apostrophe + s.

Exercise 3

Best answer: B. its

Why: Its is the possessive pronoun. It's would expand to it is, which does not fit.

Exercise 4

Best answer: A. The report was released in September.

Why: The month name is capitalized; ordinary nouns and verbs are not.

Mistake check

Rewrite one missed sentence correctly. Then state the rule in one short sentence you could use on a new example.
